Beginner 2

The goal of the Beginner 2 course is to facilitate the student's expression in simple day-to-day situations or on a trip. The student is beginning to interact in social conversations.

The student will learn about:

- verbs in the present tense (2nd and 3rd groups), present perfect ("passé composé" - past tense with an auxiliary verb) and gerunds
- reinforced use of reflexive verbs ("verbes pronominaux"), near future and present tense (1st group)
- adverbs of quantity
- expressions of time
- shopping: requesting help, making payment, expressing thanks, vocabulary related to food and quantities
- expressing tastes, preferences, what you are looking for
- explaining the rules of the game
- telling a simple story in the past tense
- making forecasts for the future
- description of a person's physical appearance and personality
- talking about rooms in a house, furniture, buying clothes, food and other items in stores
